

PROSTATE CANCER SUPPORT GROUP ACT REGION Inc

For **MEN** and their loved ones

Share with us your concerns.
Hear our experiences and achievements

Be informed and encouraged

Meeting survivors of prostate cancer
helps work through a family crisis together

We meet 7:00 pm, third Wednesday of each
month (except December) at:
Room 22 Pearce Community Centre
Building 1, Collett Place
Pearce ACT 2607

Our Group is informal and the only medical
advice we give is:

“Consult your doctor”

Partners and others are welcome
They are usually the first line of support and
share deep concerns

Contacts:

President: Peter Daley Tel +612 6291 0612

Secretary: Chris Hansen Tel +612 6161 4135

Member: Maurie Duke Tel +612 6257 2595

THE FACTS

- Over 18,000 men each year are diagnosed in Australia with Prostate Cancer
- About 3,000 men die annually – over 7 a day. Early intervention increases the chance of a successful treatment.

WHY MEET?

- Few men know much about Prostate Cancer, the treatment options and possible outcomes
- Remove the anxiety and fear that often follows diagnosis.
- Learn about living after treatment from those who have survived Prostate Cancer.

Hearing experiences of those who have ‘walked the walk’ gives men and their families reassurance, strength, hope and the courage to cope with a potentially life threatening illness

Minimal commitment is required.

You may attend and interact as you please.

Your personal situation is confidential and stays within the group.

Join us in a friendly and convivial environment
